**PLUMBING,  
HEATING & AIR**

**“Hold on for  
just a second  
please!”**

---

It's time for your home  
comfort system inspection.

---

**GREAT NEWS:**

it's already covered by your  
Safeguard Assurance Agreement.

# Easy to forget. Way too important to skip.

Just a quick & friendly reminder that it's time for your HVAC system inspection.

A little something extra...just because!

**SAVE \$25**  
on plumbing service or repair

May not be combined with any other offer or discount.

Specifically, we're ready to clean and inspect your:

Heating system    Air conditioning system    Heat pump system

Best of all, it doesn't cost you one penny more; that's **because service already is included** as part of your Safeguard Assurance Agreement. Other plan benefits include:

- Priority Scheduling
- Discounts on all heating and cooling system services & repairs
- Reduced frequency and cost of repairs
- Added safety for your home and family

So go ahead and call now to schedule service. And while you're at it, **be sure to keep this postcard** to save \$25 on any plumbing service or repair we offer.
